

# Link & Learn Taxes

linking volunteers to quality e-learning solutions

Now you can complete your Tax Training and Certification online! More than just e-learning, **Link & Learn Taxes** is a complete training resource. Take the course in a linear fashion your first time; use it later to research a topic or review.

This fun, interactive course, geared to volunteers, teaches you the basics you need to accurately prepare 1040, 1040A and 1040EZ income tax returns for individuals. You can also obtain your volunteer certification – *at your own pace!*

## Easy to Use

- Simple navigation
- Cues tell you where you are in the course

## Comprehensive Program

Obtain your certification by completing one of four modules that correspond to taxpayer groups and your level of expertise:

- Basic and Wage Earner (working individuals and families)
- Pension Earner (seniors and others with pension concerns)
- Military
- “What’s New” (new tax law)

## Simple and Effective Content

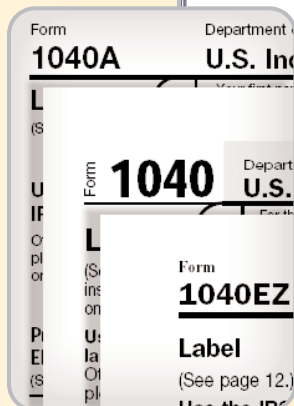

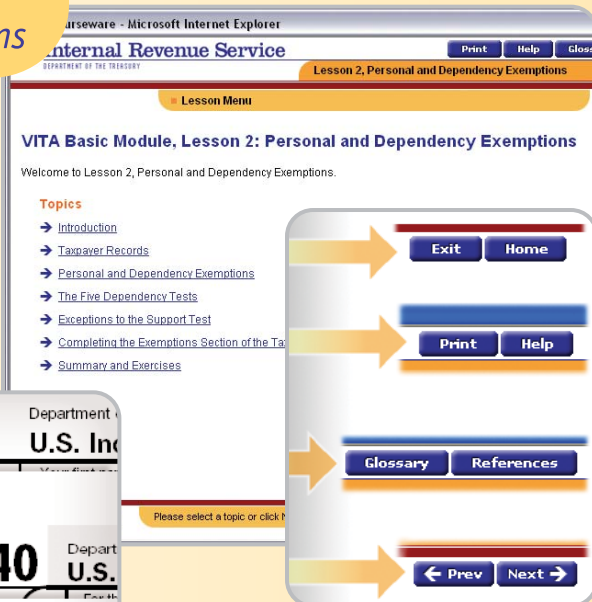

- Easy to read text screens
- Graphic illustrations to reinforce key concepts and procedures
- Sample taxpayer interviews with audio dialog
- “Real-life” case studies
- Simple interactive questions within the tax topics

## Topic Activities

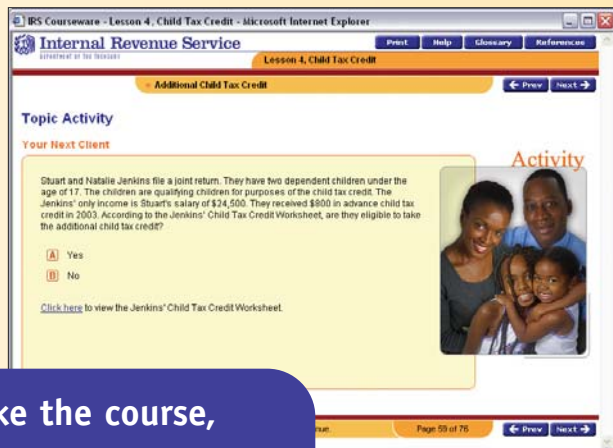

- How Would You Respond?** – Listen to an interview and choose your response
- Your Next Client** – Presents complex client scenarios that require calculations to complete
- Tax Your Memory** – Fun activities that require you to match terms with definitions, concepts with examples, or forms with descriptions
- Focus on Forms** – Practice completing portions of Forms 1040EZ, 1040A, or 1040, or other applicable worksheets, schedules and forms.
